

INSPIRATIONAL QUOTES

"We must reject the idea that every time a law's broken, society is guilty rather than the lawbreaker. It is time to restore the American precept that each individual is accountable for his actions." Ronald Reagan

"Those who would give up essential Liberty, to purchase a little temporary Safety, deserve neither Liberty nor Safety." Benjamin Franklin

"If the freedom of speech is taken away, then dumb and silent we may be led, like sheep to the slaughter." George Washington

"Hold on, my friends, to the Constitution and to the Republic for which it stands. Miracles do not cluster, and what has happened once in 6000 years, may not happen again. Hold on to the Constitution, for if the American Constitution should fail, there will be anarchy throughout the world." Daniel Webster

"Freedom is never more than one generation away from extinction. We didn't pass it to our children in the bloodstream. It must be fought for, protected, and handed on for them to do the same, or one day we will spend our sunset years telling our children and our children's children what it was once like in the United States where men were free." Ronald Reagan

"I am a firm believer in the people. If given the truth, they can be depended upon to meet any national crises. The great point is to bring them the real facts." Abraham Lincoln

"Democracy is not a spectator sport, if you love FREEDOM, get on the field of play."

ABOUT US

The Western Cumberland County Republican Club officially started on May 5, 2019. We are a group of Republican voters that come together to recruit, support, and elect common-sense, conservative Republicans at the local, county, state and federal levels. Additionally, we work to promote the Republican principles of limited government, free markets, strong families, individual freedoms, personal responsibility, and a strong national defense.

We work for the best interests of the residents of our focus area. The Club's objectives are to bring individuals into the Republican Party and to provide an opportunity for political involvement, expression, and training; to provide a forum for voters to learn about Republican candidates and issues during the primary and general elections; and to support the Republican Party's nominees at all levels.

In order to accomplish these objectives, we work in conjunction with the Cumberland County Republican Committee, the Republican Party of Pennsylvania, and the Republican National Committee whenever possible.

Our membership is open to **ALL** registered Republican voters regardless of where they live, however, to vote or be a Club officer you must live in the focus area

ACTIVITIES

The Western Cumberland Club has had an active and exciting start since its creation. Below are a few of our activities.

The **WE THE PEOPLE Speakers Series** started in January 2020. The Series is done as a joint effort with the Cumberland County Republican Committee. The Speakers Series season runs from September to May. Each season has three meetings held in September, January, and April or May. If you are interested in sponsoring one of the talks and/or know of a good speaker who might be interested in presenting, please reach out to us by email or talk with one of the officers.

The **Annual Fall Legislative Update** is held in October and allows for legislators who represent our focus area to share what is happening at their level of government.

The **Winter Potluck Social** is held in February of each year and enables members time to socialize around good food and to invite friends to attend the event and learn more about the Club.
