
Originally founded in 1978, the Governor's Club was formed to provide much needed resources to the county Republican Party and to Governor Thornburgh's campaign. The Governor's Club helped deliver a victory to Governor Thornburgh and we are confident that, with your support, we will continue to deliver Republican victories for many years to come. In order for the Republican Party to grow, it is more important than ever to have a physical presence in Cumberland County. The funds raised by the Governor's Club will be used for establishing our Republican headquarters and building up our party infrastructure.

Please look through the enclosed brochure to learn more about the Cumberland County Republican Committee Governor's Club and feel free to contact either one of us to discuss how you can become involved.
