

Cumberland County

Republican Committee

August 12, 2019

Dear Committee Members:

Here is our latest Chairman's update.

1. We continue to add one or two new committee people (CP) and volunteers to our Committee each week. You will find attached a listing of vacant CP positions. For those CP's that are in a precinct by themselves, I would ask that you redouble your efforts to find a second CP.
2. The Finance Committee had its first meeting last Monday and brainstormed on ways to raise money for the Committee and for our Fall slate of candidates. We are restarting the Governor's Club and it will be one of our main fundraising vehicles for the Committee.
3. We have a strategic planning meeting with the Officers/Advisory Board/Committee Chairs scheduled for August 27 as well as we have circulated a September 9 meeting date to our State Elected Officials.
4. Thanks to the extreme generosity of Senator Mike Regan, we have, in conjunction with the Western Cumberland County Republican Club, scheduled the inaugural Liberty Barbeque for Saturday, September 7 at the Penn Township Fire Company Pavilion, 1750 Pine Road, Newville from 11:30 am until 3 pm. Congressman Scott Perry will be our Keynote Speaker. This is a family friendly event, so please come out to support your fellow GOP Club Members, your fellow committeepeople who run the Club, and Congressman Perry. An invitation is attached.

All CP's will receive a free ticket to the event, so please come out and support our Committee. Many of our elected officials will be there and are sponsors for the event. Please bring someone who may be interested in getting involved as a CP or as a volunteer to the event. **To redeem your ticket, please RSVP** to Theresa at theresa.gop@gmail.com or call/text 717-433-7644 no later than noon on Friday, August 30th.

Additionally, we are asking for the donation of items for a silent auction to be held at the Liberty BBQ. If you can help in this effort, please let Lou know.

5. We are actively working on revisions to our Bylaws, which the entire Committee will discuss and vote on on Wednesday August 28 beginning at 6 pm at the New Kingstown Fire Company, 277 North Locust Point Road, Mechanicsburg. A Notice in accordance with the Bylaws has been mailed and emailed to everyone, so please make every effort to attend.

6. I have met with Nate Silcox, Chair of the Voter Registration Committee, and, in conjunction with Suk Smith, will be preparing lists of Republican voters who have recently moved here for each precinct. Those lists will be distributed to each CP for follow up. Getting these Republican transplants registered to vote in Cumberland County is an easy way to regain our Republican Registration advantage.

7. The Young Republicans Committee and the Volunteer, Committeeperson Recruitment, and Training Committee continue to meet and are planning appearances at a number of County Events.

8. Committee Member Training is scheduled for Saturday, September 14 from 9 am until noon in the barn. Whether you're a new committee person or a veteran, the presenters and materials to be provided are well worth the price of the free admission and I strongly encourage everyone to attend. We will have another Training in October. To register for this training email Theresa at therersa.gop@gmail.com

9. We have purchased 1000 Donald Trump 2020 lawn signs and will sell them at Committee and County Events for \$5 a sign. All proceeds from the sale of the signs will go towards supporting the efforts of the Committee. We will have the signs available for purchase at our August 28 Committee Meeting.

10. We have established a Municipal/School Board Outreach Committee to provide for better communication between the Committee and our Local Elected Officials.

11. Don't forget the Chicken BBQ Fundraiser for County Commissioners DiFilippo and Eichelberger this Saturday, August 17, 2019 and another event for them on September

12. Information about these and other events can be found on our website at <https://www.gopccpa.org/events.html>

I'll be providing another update to everyone next week and I appreciate everyone's hard work.

Kind regards,

Lou Capozzi
