

Cumberland County

Republican Committee

July 23, 2019

Dear Committee Members:

Here is an update from our last Chairman's update. We are operating on all cylinders now and we are pleased to be able to share this comprehensive update:

1. As promised one month ago, we have appointed or are in the process of appointing 25 new committee people to our Committee.
2. We are still waiting to receive information from our candidates so our Committee can best decide how to support them in the upcoming election.
3. We have circulated dates for a meeting to our State Elected Officials and due to scheduling conflicts, are looking at a late August date for a meeting. We have sent to each state elected official a questionnaire to gather information on how the committee can best help them.
4. We have almost **100(!)** volunteers signed to help our candidates with the Fall elections, help staff events like the Shippensburg Fair, which we have staffed for the entire week, and to help cover polls for OUR candidates on Election Day.
5. We are actively working on comments to our Bylaws and appreciate everyone's feedback. The Bylaws committee will make recommendations to the Bylaws, which we will be presented to the entire committee for discussion and possible approval in late August.
6. We have formed our Finance committee and are pleased to inform you that significant funds are on the way to pay for our candidates in the Fall elections.
7. All of our Standing and several Ad Hoc Committees have been formed, we have had significant interest to the point where we have had to turn people away, and are in the process of having meetings to move forward and plan for the Fall elections. Thank you so much for the outpouring of interest.

I have attached a pamphlet "*Winning Begins With You: Guide for Republican Committee Members*" which was a publication of the State Committee several years ago but is still relevant. You will also find a one-page sheet titled "*Duties of A Precinct Committee Person.*" If anyone has any questions about what is required in order to serve on our committee, bring it to MY attention. We are having training on Committee members' obligations on August 24, 2019 and there will be a repeat of the training after Labor Day so that everyone is clear on what needs to be done in order to win in November. I would strongly encourage everyone to attend at least one of the training sessions, so everyone clearly understands the expectations associated with being a member of our Committee.

Thank you for your continued support of this process. The best is yet to come!

Kind regards,
